

THE BLAKES

OF

BIBB COUNTY, ALABAMA

1819-1988

Compiled By

CHESTER RANKIN JOHNSON, JR.

This tombstone was the largest and oldest in the small, Blake - Thompson Graveyard located in the forest three and one-half miles north of Centreville, on Highway 25, then left on a gravel road three-tenths of a mile, on top of a hill on the left. Walk some yards out into the forest. The tombstone was photographed in July, 1967. Only the base and low wedge-shaped fragment remain. John's grave and another beside his, probably Martha's, are outlined in white fieldstones. No other graves are marked.

PREFACE

This genealogy was compiled in my computer. This greatly facilitated my entering data and indexing but there are also a few limitations which must be accepted. They could be done differently on a typewriter but not nearly as easily and certainly not as quickly.

The number notation system is the one I prefer of all the systems I have seen used in genealogies. This was used in Sorley's LEWIS OF WARNER HALL and in DAVIS STOCKTON OF VIRGINIA by Leona Irene (Smith) Johnson and Winfred Broadus Smith. This system identifies the order of birth of a child and the number of numbers tells the number of generations from the progenitor of the line. The Roman Numeral "X" is 10 and is so used here with "A" being 11, "B" is 12, etc. Since A is the first letter of the alphabet, it is only logical to use it for 11 when it comes after 10. Each digit must be a single number for this system to work. "1X3" tells that he/she is the third child of the tenth child of the first child of the progenitor. I know that computers will not put X before A in a file listing but it works in the text and that is all that you will see in the book.

Many persons have contributed data over the years to make this record of the Blake Family possible. It is no longer possible to duplicate some of this data as many of the older persons have died since I started. Several are Theodocia Pratt Green, Miss Katie Blake, John Desmond and Lyda Morse Keyes.

My thanks go to all who assisted in any way, especially to Howard McCord, a Pratt but not a Blake, and to Truman Blake, both of whom guided me over Bibb County helping me to find persons and cemeteries. Most important was Cousin Howard's finding, when he did in 1967, the cemetery containing the graves of John Blake Sr. and his wife Martha (Moon) Blake. A short time after I photographed the graves and John's tombstone, vandals broke the tombstone from the base and removed it. It is a large sheet of sandstone and I suppose it would make a nice doorstep or interesting rock garden decoration for someone who did not care where he got it. For many years, rich Japanese have paid to have interesting Korean tombstones smuggled into Japan for their rock gardens. This tombstone is the only known record of John's birthdate. I hope someone can find it and put it in a safe place. The little cemetery away out in the forest is not a safe place.

No compilation as extensive as this can be error free. Errors, typographical as well as lack of knowledge by later generations which cause guesses and assumptions, are responsible. When I started trying to trace my Blake and Johnson ancestors in the late 1940s, I had few facts and many erroneous statements. I would give very much if Pauline Jones Gandrud had not printed the letters I wrote to her in 1948-50 in her books on Bibb Co. They contain several errors that are still being repeated every time someone wants a copy of her books. It is unfortunate that some people accept anything that is printed, even without references, as the absolute truth. I hired her as a genealogist to find the correct information but she didn't. I had to come to Bibb Co. twenty years later to find the correct information myself.

Another example is the tombstone of Richard Pratt, ancestor of all of the Pratts of Bibb Co. and of some of the Blakes. It says he was born in Stokes Co., South Carolina. There never was a Stokes Co. in S. C. and there was none in N. C. when he was born in 1765. The area his parents probably lived in was in Rowan Co. This area fell into Surry Co. when it was formed in 1770 and into

Stokes Co. when it was created in 1789. The Pratts did leave from Stokes Co. but Richard was not born there.

Our earlier Blake Family was compiled in the book, SOUTHERN BLAKES, by Kate Blake Daus, Watkins Glen, N. Y. D.A.R., 1956. Copies can be found in some large libraries. There is one in the Birmingham Library, and I have one.

In 1968, I had researched Bibb Co. records for almost two years, had written many letters to others working on Blake families, when Mrs. J. L. Blake of Leland, N. C., said that she thought that my John was the John of the book, SOUTHERN BLAKES, who died in Bibb Co., Ala. She was right. They were the same. I had seen the book in the Birmingham Library but as it had no index, I did not take time to go through it page by page. There were just too many other books and records that had indexes that I wanted to check. It is most fortunate for me that she had been able to take the time while searching for her family. Hers are a different family.

Originally, I stopped collecting courthouse and tombstone data at about 1900, using that date as a convenient cut-off point. My line had left Alabama in 1867. I now have brought all lines down to the present that I have been able to get people to send to me with the exception of my own large Johnson Family. In 1966, a genealogy of the Johnsons, who were early in Bibb Co., Ala., and moved to Calhoun Co., Miss., was printed with more than 600 descendants and all are descended from the Blakes. I will not recopy that whole book but give only the line down to my children so other Johnsons can connect to this book. They also have the Blake connection given in the Johnson book. Of the several Johnson families that remained in Bibb Co., none are known to be related to my great, great grandfather Duncan Johns(t)on. I am including some biography on my line for the benefit of my children.

It is fortunate for me that there seems to have been only one Blake family living in Bibb before 1900. All persons named Blake that I have found in the records, were able to be placed in John's family except for two girls, brides, who were not able to be traced further. They were married before 1850 and so are not listed in a census with their father's families. It is possible that they also belong in John's son's families but it may never be proved. I feel that they belong because I have found no males that I can't prove belong in John's family.

Then there is the problem with the name Asa. Every time it is mentioned, someone says, "Oh, yes. Big Ace and Little Ace." It has been forgotten that there were FOUR men in this family named Asa. The first was John's son who went to Lowndes Co., Miss. before 1840 and d. there by 1847. The second was Arch. Henry's son who went to Bell Co., Tex., before 1870 and died there after 1900. The third and fourth were Big Ace and Little Ace. I have numbered them. #1 was b. in Ga. and d. in Miss. in 1847, #2 was b. July 1828 and d. in Texas after 1900, #3 is Big Ace and #4 is Little Ace. These numbers are necessary to identify just who is being discussed.

This compilation is the result of many years of research, the traveling of thousands of miles, and the writing of many letters. I give permission to other researchers to copy portions of this work as long as they attribute the origin. Some who have contributed are John Desmond, Lyda (Morse) Keyes, Theodocia (Pratt) Green, Mrs. Lorene Marsh, Virginia James, Janet Burks, Maxine (Blake) Morgan, Mrs. Jerome Parker, Donald E. Burns, Bill Murphy, Betty (Bass) Cleere, Mrs. Jewel Deason, Alma (Blake) Perkins, Helen (Nelson) Benson, Michael

A. Ports, Inez (Watts) Herring, Mrs. A. J. Blake. Assisting with the final preparation was my cousin, Lora (Johnson) Cleveland, and I really did need her assistance.

For those who feel that there should be more about their families, I will agree, but I can't include it in when it isn't sent to me. There have been many opportunities over the last 20 years. I have been to 8 Pratt Reunions, talked to many people, written many letters and at last advertised in the Centreville Press.

My intent is to make this book as close to being a legal document as I can. Not living close to Bibb County makes it difficult to find all the records that I think are available. Since the U. S. Regional Archives is here in Fort Worth, I have access to all the census records. Away from Bibb Co., my information comes only from letters and the census. Some will find that there is a difference in the census record and the information that children and grandchildren know. In several cases I have chosen to follow the census over the tradition. People were found to be living in a different county or persons were born before or after a census year. All the children and grandchildren of my great grandmother Mariah said she had only 13 children. BUT in the 1900 and 1910 Census she said that she had had 14, with 12 still living. As she gave this on two censuses, 10 years apart, I believe she knew what she was saying and this is not just another census mistake.

People's names are a very personal thing and one of their most valued possessions. Some parents want to be different and give their children "different" names or "different" spellings. Some are so "different" that I have no idea whether I have a copying error or not. If there are any, maybe they will understand.

After publication, all persons, who did not have their families recorded, or who can correct errors, are encouraged to send in their information for inclusion in proposed future supplements to :
Chester R. Johnson, P. O. Box 582, Hurst, Texas, 76053.

BEFORE BIBB COUNTY

The Blakes, like so many others in the New World, were restless people. From the 1660s when Thomas Blake settled in Isle of Wight Co., Va., to about 1818, when John came to Cahawba Co., Ala. Terr., our family did not spend more than a generation or so in any one county. By census time in 1860, the only family named Blake in Bibb Co., was that of John's son Archibald Henry. Since he remained in Bibb Co., his family formed the original outline for these records. His remaining in the home county in Ala., has helped me to reconnect many Blake families to their origin when they had no knowledge that they had originally come from Bibb. My line left Bibb Co. in 1867 for Lafayette Co., Miss., when Mariah (Blake) Johnson and her family "went West". In 1872 they settled in Calhoun Co., Miss. They left Bibb but they did not forget. My father always said he hoped he would have a chance to go see where his father and grandfather were born. I got the chance but he didn't.

John was born in 1766. The name of his mother is unknown. On May 23, 1780 in Wake Co., N. C., John's father, William, who was a soldier in the Revolution, married Mrs. Lucy (Allen) Mobley, a widow. The original marriage license is in the State Archives at Raleigh. I made a copy of it. About 1785, William moved his family to Wilkes Co., Ga. In 1790, their part of the county was formed into Elbert Co. It was possibly about 1815 that John moved his family to the Eastern Tenn. area of Bledsoe, Warren and McMinn Cos. After some time, they moved to Cahawba Co., in the new Ala. Terr., which was created in 1817 from the Miss. Terr.

William Blake's will was dated Oct. 8, 1796, recorded April 1, 1798, Will Book B, pg. 30, Elbert Co., Ga. See also pg. 17, of SOUTHERN BLAKES, by Kate Blake Daus. He was a Revolutionary War veteran, serving in the Continental Line of N. C., Ralston's Co., First Regt., Col. Thomas Clark, Commanding. He was a Sgt. on Oct. 18, 1777, a Pvt. 1778, a Corp. Nov. 1779, a Sgt. Feb. 10, 1780, on different enlistments. Ref. SETTLEMENTS FOR REVOLUTIONARY SOLDIERS IN NORTH CAROLINA, Book 20, pg. 15, and also SOUTHERN BLAKES pg. 12-17. Mrs. Daus indicates that there is a large file on William's service and claims for payment for that service. It doesn't seem to be in the National Archives so it must be at Raleigh. I have no chance to find out now. With the information I furnished her, Betty (Bass) Cleere became the first of John's descendants to be a member of the D.A.R. on William's service. Nat. No. 572,269. She also used William's ancestor Thomas Blake of Isle of Wight Co., Va., for the Nat. Soc., Colonial Dames of the XVII Century, Nat. #II445.

The oldest members of the Johnson and Pratt families have said that these families came from Tenn. We now know that the Johns(t)on family came from Bladen Co., N. C. to Dickson and Humphreys Cos., Tenn. The Pratts came from Stokes Co., N. C. to Eastern Tenn. When the central part of the Ala. Terr. was opened up in 1817, there was a general migration from Tenn. and Ga. to Ala. This included the families of Blake, Pratt, Johnson, Weaver, Lowrey, Glass, Henderson, Wallace, Jordon, Harpoll, Morris, and others.

The Alabama Terr. became a state in Dec. 1819. In Dec. 1820, the name of Cahawba Co. was changed to Bibb to honor the territorial and first statehood governor who had died from injuries sustained in a fall from his horse in July.

JOHN BLAKE SR.

John Blake Sr., b. March 8, 1766, d. Dec. 11, 1836 Bibb Co. (tombstone), was the oldest member of the Blake Family to come to the county. He was a son of William Blake who d. 1798 Elbert Co., Ga.

John received five shillings sterling from his father's will and estate settlement, SOUTHERN BLAKES, pg. 14. He married about 1789 Martha Moon, a daughter of WILLIAM and SARAH MOON of Elbert Co., Ga. William Moon's will, dated May 7, 1810, was proved Jan. 7, 1811, Will Book 1809-1812, pg. 132-5, Elbert Co. It states, "I lend to my daughter Martha Blake a child's part of my estate during her life and after her death immediately, my will and desire is that part of my estate, lent aforesaid shall be equally divided amongst my daughter Martha Blakes children". The executrix was his wife, Sarah Moon. I have no record of what Martha may have received.

Six deeds dating from 1798 to 1802 have been found in Elbert Co. where John bought and sold land. His wife Patsy signed several of them. John received a land warrant for 1000 acres in Sumner Co., Tenn. as heir of William Blake who was awarded this land for his Rev. War services. See BEFORE BIBB COUNTY.

In the 1832 application of John Wallace for a pension for his service in the Revolutionary War, John Blake witnessed that he saw the Honorable Discharge of John Wallace.

Revolutionary War Pension and Bounty-Land Warrant Application Files - Series M804, John Wallace S-32572, (frame 0921) (microfilm)

"Wits by the Court to John Blake - do you recollect to have seen at any time in the possession of John Wallace the applicant a discharge from the Service of his country if so state at what time you saw it did you hear it read and to what service did it relate.

"Answer - I saw a discharge in the possession of applicant in the year 1821 or 1822. I heard it read. It was an honorable discharge to him as a soldier of the Revolutionary War and with Coleman a reputed soldier of the Revolution as to some dates concerned with the accounts of that.

"Wits - Do you know that the house in which you saw the discharge has been burnt?

"Answer - I saw the same house when on fire and knowd that it was burnt."
signed John Blake

I have examined the complete roll of Revolutionary War pension applications for the name John Blake and for one who could be our John Blake of Bibb Co. There were none for the whole State of Alabama. John was 10 at the beginning of the Revolution in 1776. The closest one is a John Blake of Indiana who was 14 in 1776. I believe the witness statement that our John gave for John Wallace was misinterpreted when information was furnished to Ellison for her book, BIBB COUNTY ALABAMA THE FIRST HUNDRED YEARS 1818 - 1918, pg. 234. The other possibility is the 1000 acre warrant John received as heir of William.

John and his wife Martha are buried in the small Blake-Thompson Cemetery in the forest about 2 miles north of Centreville and about 3/8 mile West of Ala. Highway 25. Only John's grave had a tombstone but the grave next on his left had the same type of white fieldstone border as John's. No other grave in the cemetery was so marked, Therefore I believe it is Martha's grave. The rest of the marked graves are of Thompsons. These Thompsons are related to Hardy Johnson who married Elizabeth Blake, John's oldest child. There is no known relationship of these Johnsons with my family.

Martha was living in 1837 when John's estate was settled. John's will stated that he wished Madison to take care of his mother during her life and as no elderly female is listed with Madison in the 1840 Census, she probably had died by then.

The following statement written by John Blake Jr., at times a Justice of the Peace in Bibb Co., was admitted as a will for John Sr. "Be it remembered that on the seventh day of December 1836 I John Blake Jr. was called on by John Blake Sen. And he told me that his race here on earth was run & that he wished me to know what he wanted done. He then told me that he wanted Madison Blake to take care of his mother during her life and that he wished Madison Blake to pay all his just debts and after paying all his just debts he wished Madison Blake to have all the property that was there meaning all that he had. This conversation was in his last sickness on the wednesday night before he died & I John Blake Jr. was called on by John Blake Senr. to hear witness of his said requests & directions of what he wished to be done after his death." Ref. Loose Papers, B File, Bibb Co., Ala. Copied from the original document.

This decree was not dated but the next page, 133, was dated 10 day of February 1837. I wish all wills would list heirs as completely as this estate record. I would add only the names of the deceased parents of the Wood and Wilson children.

In BAPTISTS OF BIBB COUNTY ALABAMA 1817-1974. p. 115 by Howard F. McCord. John and Patsey Blake were listed as charter members of the Enon Baptist Church when it was constituted on July 10. 1819. A John Blake is listed as a delegate to the Mulberry Baptist Association during the period 1828-1855. I do not know if this refers to John. his son or Archer's son. The exact date is not given but could show which.

CENSUS RECORDS

1830 Bibb Co., Ala., pg. 170

Blake John (Sr.) M-1 under 5, 1-15 to 19, 1-60 to 69
F-1-50 to 59

John's oldest daughter is given in both the 1850 and 1860 Censuses of Bibb Co. as b. in S. C. Is this a census error or is there information missing that could explain it? The Wilkes Co., Ga. records indicate the the Blakes and the Moons arrived in the county between 1785 and 1786. As William Moon traveled from Bedford Co., Va., he might have passed through Wake Co., N. C. where the Blakes lived. They may have decided to join the Moons and others in moving to Wilkes Co. Might John have married Martha during this time but stopped off in S. C. for a while? If so, it would explain how Elizabeth could be born in S. C. Or, since Elbert Co. is on the S.C. line, maybe they eloped and lived in S. C. for a year or so. Below are listed the only three John Blakes found in the 1790 Census of N.C. and are listed for record purposes only.

The last family, only, is a possibility IF John and Martha stayed in N. C. for several years. New Hanover Co. is not far from the migration route going south from Wake Co. Probably we will never know.

Early in the search for descendants of John and Martha, the emphasis was on Archibald Henry Blake Sr. as he is the progenitor of my line and he "stayed put" in the home county, while all the others moved on. After I found John and the rest of his children, I used the order of heirs listed in his estate papers for the order of birth, lacking any other knowledge. Later, as I began to find the birthdates of some, I had to change the order. I think it is fairly close to being correct now but as some dates are still approximate, changes may need to be made.

1 ELIZABETH BLAKE

Elizabeth was b. c. 1790 in S. C.? (1850 Census Bibb Co.), d. Aug. 26, 1863 Bibb Co., bur. Rock Hill Church Cem., Bibb Co., m. bond and license dated July 10, 1819 Cahawba Co., returned July 11, marriage performed by John Blake J. P., as the second wife of HARDY JOHNSON Sr. b. c. 1780, d. between 1840 and 1850. He is not in the 1850 Census but she is. He could be nearly 50 in 1830 and nearly 60 in 1840 and fit into the ages given in the Census. Early census takers were sometimes barely literate and often very careless.

The 1850 and 1860 Censuses say she was b. in S. C. This could be a mistake and could be Ga. where the rest of her brothers and sisters were born. See discussion under John Sr. The 1850 Census says she is 60 but the 1860 says she is aged 85. I believe this is another census error as it would place her birth in 1775 when her father was 9 years old. John's estate papers say she IS his daughter and married to Hardy Johnson.

Her original estate papers are in the Loose Papers, J File in the Bibb Co. Clerk's Office. Two to five sons are ascribed to her but only her daughters, Sarah Jane and Emiline, have known birth dates showing they were born after she married Hardy. The sons were sons of Hardy by an unknown first wife. She raised some of them from childhood and may have felt like they were her sons. They may also have felt like she were their mother. Hardy's youngest son, Stephen, was about 2, born in 1817, when Elizabeth married Hardy. He probably would not remember any other mother but Elizabeth. I believe they are the sons of a first wife whose name not only has been lost but her existence forgotten. Just as John is a son of William Blake by a wife whose name is lost.

I wish I knew just who Elizabeth considered "all my legal heirs at law". She mentions two of Hardy's deceased sons, Hardie and John. In later probate records Henry, Stephen and Howell are stated to be her sons. These are the five known sons of Hardy Johnson Sr. but I have been told that there may be two other sons of Hardy, one named Martin and an Oliver. The reason all of these sons are claimed for Elizabeth could be that is the only way they could inherit any of their father's estate. I have found no records of a will or an estate settlement for Hardy Sr. If Hardy died intestate and there had been no administrator appointed by the court, Hardy's children would not inherit from him and could not from her. I am coming to the conclusion that that is what

she was meaning by "my legal heirs at law". It would be very strange for a mother to talk about her own children in that way.

No document has been found telling why Howell Johnson should replace James Williams who was appointed by Elizabeth as her administrator but he did. Williams was later paid \$30 from her estate for an unknown reason. Possibly he asked to be relieved of the appointment at a later date after having done some estate work that would earn him that money.

Oct. 10, 1865 - Orphan's Court - This day came Howel Johnson and moved the Court for letters testamentary with the will annexed on the estate of Elizabeth Johnson decd. and the Court assenting thereto thereupon caused the said Howel Johnson to gather with C. J. Rothenburg & P. Wallace his security & entered in to and acknowledged the bond in the sum of two thousand dollars condition as required by law which is approved by the court and ordered the letters testamentary issued to the said Howel Johnson on the said estate & it is further ordered by the court that James T. Yancy, R. J. Rothenburg & C. J. Rothenburg ----- and they are hereby appointed appraisers of said estate.

J. J. Thompson (sign)

I as the administrator debonis nose of the Estate of Elizabeth Johnson deceased do hereby acknowledge legal service & waive notice January the 15th - 1872

Elizabeth Johnson
deceased - Estate of
Account for final settlement
of Howell Johnson's administration
of said estate.
Recorded in Book J of Admr. acc.
pages 468 and 469
Set for February 12 - 1872

Elizabeth Johnson deceased) Feb. 12 - 1872
Estate of - on the administration) This day having been set to hear &
of Howell Johnson as admr. of) determine all matters as to the
said Estate) accounts heretofore filed by Jasper J.
Thompson the administrator of the Estate of Howell Johnson deceased who was in
his lifetime the administrator of the estate of Elizabeth Johnson deceased &
who died without having made any settlement of the administratorship of said
estate. The said accounts filed as aforesaid by said Jasper J. Thompson as
such administrator as aforesaid being for the purpose of closing & making final
settlement of the administratorship of said Howell Johnson of the said estate
of said Elizabeth Johnson deceased.

Now comes the said Jasper J. Thompson & moves the Court that the said
accounts may be passed & allowed as the same have been filed as aforesaid. And
it appearing to the Court that due notice of the nature of & of the time set to
make such settlement has been given by posting such notice three weeks before
this day of settlement at the courthouse door & at three other public places in
Bibb County Ala., notifying all persons interested in this proceeding to appear
on this day & contact the same if they thought proper.

And it further appearing to the Court that James W. Crawford is the administrator de bonis nose with the will annexed of the estate of Elizabeth Johnson decd _____?_____ & that he on the 15th day of January 1872 acknowledged legal service of personal notice & waived notice also of this proceeding which it all more than twenty days since - the Court proceeds to hear the matters pertaining to said accounts & to consider the evidences submitted stating thereto.

Wherefore it is shown to the Court by sufficient proof that the said Howell Johnson had received & had in his possession as assets of said estate a judgment on Moss Bass & James in the Circuit Court of Bibb Co., Ala., to the amount of five hundred & twenty three and 21/100 dollars rendered April 16, 1869 & interest on the same to this date being one hundred and fifteen and 06/100 in all making the sum of six hundred and thirty eight & 27/100 dollars being all the assets belonging to the estate in the hand of said Howell Johnson at the time of his death.

And it further appearing to the Court that said Howell Johnson has justly expended in & about the c____ts & ch____ps necessary & incident to said administration & in the judgment of the just debts of said deceased the sum of one hundred & ten dollars which being deducted from the amount of said judgment shows that there is still a balance of the same due said estate to the amount of five hundred & twenty eight & 27/100 dollars.

And said accounts appearing to be full & correct. It is therefore considered adjudged & assessed by the Court that the said accounts be & the same are hereby in all things passed & allowed as above stated & it further ordered adjudged & assessed by the Court that this settlement of the estate of said Elizabeth Johnson deceased & entered of record & by reason of said administration.

This estate settlement lists all who were considered. as she said. "my legal heirs at law" but her actual children can only be identified by birthdate after her marriage to Hardy in 1819.

In BAPTISTS OF BIBB COUNTY ALABAMA 1817-1974, by Howard F. McCord, p. 115 Elizabeth is listed as a charter member of the Enon Baptist Church when it is constituted on July 10, 1819. The next day she marries Hardy Johnson Sr. but the ceremony is not performed by the pastor but by her brother, John, who is a Justice of the Peace. He is probably a member of the church also. Hardy Johnson is listed as a delegate to the Mulberry Baptist Association during the time period 1828-1855.

2 MARY (POLLY) BLAKE

Polly was b. possibly 1791-2 in Ga., m.(1) bef. 1813 Ga., (no m. lic. has been found in Elbert Co. by Probate Judge) PENUEL WOOD, m.(2) Aug. 30, 1827 Bibb Co., Ala., JOHN WILSON, Marr. Book A & B, pg. 158. The evidence for her being a daughter of John Blake Sr. is circumstantial but very strong. Polly Wood was the widow of Penuel Wood and was appointed administratrix of his estate on Aug. 16, 1822. The securities were John Blake and Archer Blake, two brothers who could be helping their sister. On April 17, 1826, Polly filed an account of the estate sale with the Orphan's Court. John Blake, a Justice of the Peace in Bibb Co., received the account. Mary Wood m. Aug. 30, 1827 Bibb Co., John Wilson. On Nov. 2, 1829 John Wilson filed a list of disbursements as Admr. of the estate of Penuel Wood in right of his wife Polly Wilson, late Polly Wood, widow of Penuel Wood, with a list of heirs being the widow Polly, and the children, Patsy Wood, Bennett Wood, Pheabe Wood, John Wood, Happy Wood and Betsy Ann Wood.

In the application for a noncupative will for John Blake Sr., this same group of children, with the exception of Pheabe, are listed as heirs. As deceased persons were not mentioned, Pheabe was probably dead. Deceased children of John were not mentioned but Wood and Wilson children were, who have to be children of Penuel Wood and John Wilson. In the 1850 Census of Autauga Co., Bennett B. Wood names one of his sons Penuel, certainly for his father.

In continuing the research for more data on Penuel to prove that his wife was Polly Blake, I am searching all records of Elbert Co. The Probate Judge says there is no marriage record. I have found in the probate records that Pennel Wood(s) bought "1 big colt - \$8.00" and "1 pair boots and spurs - \$3.00" at the estate sale of John Wood, decd., on May 10, 1802. On Dec. 25, 1802, Penel Wood paid \$80.00 to the estate for (?) which was not previously listed in monies owed to the estate. That he had this much money to spend, and able to make such debts, means he probably was born not much later than 1780. Also purchasing items were James Wood, Bennett Wood Sr., Bennett Wood (Jr?), and Henry Woods. Also Archibald Moon bought two items. John Blake's wife, Martha, had a brother named Archibald. William Moon (Martha's father or brother) paid \$1.00 he owed. The widow, Susanna, bought 12 articles valued at \$116.87 1/2. A wife was not protected at this time from her possessions being sold as a part of her husband's estate.

There was an Andrew Woods who died in 1806 and persons who bought items at his estate sale were Robert Woods, James Wood, Ann Wood, Samuel Woods Sr. and Jr. The names are a different group from the John Wood estate sale.

There is a repetition in this family of the names Penuel and Bennett. This is a great aid in tracing them from one state to another.

- 27 MARGARET WILSON b. before 1836 (could be as early as 1828-9, as her parents were m. in 1827). A possibility for her is the Margaret P. Wilson who was issued a mar. lic. on July 7, 1846, ret. July 16, to marry SAMUEL H. COX. Their 1850 Census record, Fam. #768, shows her as being 25 and so b. two years before John Wilson and Polly Blake marry. Still there could be a census error and she would not be that old. This is getting somewhat far removed from the Blakes. I will let someone interested in Cox and Wilson solve this.

There are several Thomas and Cooper children bur. in the Antioch Cem.
that are probably children of the above.

John and Polly Wilson are not listed in John's estate records but their children are. Both must have died in 1836, as they are not listed in Feb. 1837, but had a dau. b. about 1836. No grandchildren are listed if children are living. No will has been found for either John or Polly but the Probate Judge did find the estate records of a John Wilson who d. before Feb. 1838 when the Court issued letters of administration to William H. Wilson and John Latham for the estate of John Wilson decd. No death date is given. I doubt that this is the John Wilson who was son-in-law of John Blake Sr., as this man had an estate of personal and real property to be divided among eight children or their heirs worth over \$5000 and I do not think they would have waited one year to ask for letters of administration. See discussion under census.

3 JOHN BLAKE JR.

He was b. c. 1793 Elbert Co., Ga., m. July 9, 1820 Cahawba Co., Ala., TABITHA HAGGARD b. c. 1800 Tenn. He was among the early Justices of the Peace in Cahawba (Bibb) Co. He performed the marriage of his sister, Elizabeth, to Hardy Johnson Sr. in 1819. In July 1820 he served on the county jury. Ref. Ellison, BIBB COUNTY ALABAMA, THE FIRST HUNDRED YEARS, 1818 - 1918, pg. 235. In 1822-9, he and his brother, Archer, helped their sister, Polly Wood, with the estate of her deceased husband Penuel Wood. He signed many documents as J.P. and was performing marriages as late as July 21, 1836, Moulton Rayfield to Elizabeth Parker, Marr. Book D, pg. 56. He signed as John Blake, Esqr. In Deed Book A, pg. 132, Feb. 22, 1830, John Jr. sold to Samuel Fancher, 80 acres, W1/2, SE1/4, Sec. 11, T24, R11E in the district for sale at Tuscaloosa, for \$200. Wife Tabitha concented.

He visited his father in his last illness and transcribed his will as it was dictated. He was listed as an heir of John Blake Sr. in the petition of Madison Blake that the testament that he had transcribed be admitted as a will for John Blake Sr., Feb. 10, 1837. On Aug. 8, 1837, he signed the appraisal of the estate of John Blake Sr., with Hardy Johnson and Thomas C. Blake.

In the 1840 Census of Bibb Co., he is called John Sr. So there must be a John Jr. but I have not found him. In 1850 he has moved to Attala Co., Miss., and probably died there before 1860. His wife (widow) is listed in Oktibbeha Co., Miss., in 1860 with a daughter, Frances. In Miss. John is listed as a farmer.

In the 1850 Census of Shelby Co., Nancy Horton is 25. These two girls can fit into the ages of John's children in the 1830 and 1840 censuses. They are too old to fit into the families of Thomas C. or Madison who are first listed in the 1840 census.

4 ARCHIBALD HENRY BLAKE SR.

He was b. Dec. 8, 1795 in Elbert Co., Ga., d. June 9, 1874 at River Bend, Bibb Co., Ala., and is buried in the Pratt-Wallace Cem. at River Bend. He m. Sept. 23, 1819 in Cahawba (later Bibb) Co., Ala. Terr., THEODOCIA PRATT, dau. of RICHARD and REBECCA (BEAVERS) PRATT., b. Dec. 11, 1795 Stokes Co., N.C., d. Oct. 20, 1877 River Bend, bur. Pratt-Wallace Cem. I remember my Great Aunt Angie telling my mother in 1936 that her grandfather Archer Blake came from Ga. Others have insisted he came from Tenn. Later I found that he came through Tenn. from Ga.

He was a farmer, owning lands scattered around Bibb Co. and leased his mineral rights to the Franklin Oil & Mining Co. for a royalty. I have not found a record that he ever received a royalty. I wonder if the royalty might have been for coal. A lot of coal has been mined in Bibb Co. In 1869 he sold a tract of land to L. C. Pratt that he obtained by Military Act as compensation for services. It is not known how he acquired the land nor who was the veteran. He was 17 when the War of 1812 started but he is called the assignee. An assignee is not the person who earned the land by services.

On Aug. 16, 1822, he and his brother John Blake Jr. were securities for Polly Wood who was appointed Admx. for the estate of her husband Penuel Wood decd. On Feb. 10, 1837, he was listed as an heir of John Blake Sr. decd.

Bibb County Orphans Court

March 13, 1848 - Archer Blake appointed guardian of estate of Henry D. Blake, Jno. Milton Blake, and Jane Catherine Blake children and heirs of the estate of Asa (#1) Blake, late of the State of Miss., decd. Signed by Archer Blake, Charles G. McMurry and Joshua W. Johnson, Orphans Court Minutes, Book F, pg. 281, and Loose Papers, B File.

June 30, 1849 - Archer Blake resigns as guardian of persons and estate of Jane Catherine Blake, Henry D. Blake and John M. Blake, minor heirs of Asa Blake, late of State of Miss., because the Probate Court of Lounds Co., Miss. had appointed a guardian who had been duly qualified. Bibb Co. Loose Papers, B File.

July 2, 1849 - Archer Blake resignation as guardian was accepted by the Orphans Court.

The State of Alabama) To the Honorable Thos. J. Smitherman Judge of
Bibb County) the Probate Court of said County.

The undersigned John Blake as administrator of the estate of Archie Blake deceased respectfully submits the following account and settlement of his administration.

(This statute was needed to prevent a widow's possessions from being sold as part of her husband's estate.)

The following is a correct list of the heirs of said estate to wit:

1. John Blake son of said deceased of full age & a resident citizen of Bibb County Alabama.
2. Richard Blake son of said deceased of full age & a resident citizen of Bibb County Alabama.
3. Archie Blake son of said deceased of full age & a resident citizen of Bibb County Alabama.

4. Mariah Johnson daughter of said deceased & wife of J. W. Johnson of full age & a resident citizen (women were not citizens, ie. voters, so the word "citizen" was crossed out) of Bibb Co. (She was not a resident of Bibb Co. but had resided in Lafayette and Calhoun Cos., Miss. since 1867.)
 5. Asa (#2) Blake son of said deceased of full age & a resident of Bell County, State of Texas.

March 6, 1869 - Archer Blake and Theodocia Blake sold to L. C. Pratt for \$20 a part of the NE1/4, SE1/4, Sec. 19, T24N, R10E, Book K, pg. 419. The following entry is found in the Bibb Co. Tract Book, Land Obtained by Military Act. Blake, Archer, #75448, Assignee, Act of 1850, dated April 14, 1853. This was for service in The War of 1812, Indian Wars or Mexican War. The assignee was not a soldier but someone who bought the right to the land or inherited it. I do not know how Archer acquired it or how much land.

The Bible of Archer and Theodocia Blake was inherited by George Blake Jr., a great grandson of Rebecca and he and his wife, Frances, kindly furnished photo copies of the family records. The Bible is in bad condition but the family records are still legible.

MICHAEL KEYES b. March 23, 1898 Bell Ellen, Ala., d. Feb. 22,
1961 B'ham., bur. Mt. Carmel Cem. She was a teacher, wrote
poems. I have one book, THOUGHTS OF LOVE. She also was asked
to compile the HISTORY, FIRST BAPTIST CHURCH, WEST BLOCTON,
ALABAMA, which she did in 1979. She guided me around West
Blocton, helping me to find Blakes. It was she who persuaded
Mrs. Asa Fletcher Blake to talk to me and tell me something
about her family. Mrs. Blake was very suspicious about giving
information to an outsider even if I was a distant cousin. I
don't know how many lunches Lyda and her sister, Mrs. Kate Rice
fed me. At the Pratt Clan Reunion on July 4, 1983, when the
roll was read of those who had died in the last year, it was my
sad duty to announce her death.

- 43217 ROSS FRANKLIN GRAY b. Aug. 1, 1920 Talladega Springs, Coosa Co., educated in Bibb Co. He was ordained as a Westlian Methodist minister. After working with his father for three years as a carpenter, he enlisted in the U. S. Marine Corps Reserve on July 22, 1942 at Birmingham. His basic training was at Paris Island, S.C., and at New River, N.C. in preparation for the Roi-Namur Campaign in the Marshall Islands. PFC Gray went overseas on Jan. 13, 1944 with the Twenty-third Marines, Forth Marine Div. In March he was promoted to Engineering Corporal and in June and July participated in the landings on Saipan and Tinian in the Marianas. In August he was promoted to Sergeant sent to the Forth Div. Mine and Booby Trap School. He was a Sgt. in Co. A, First Bn., 25th Marine Regt., 4th Marine Div. when he landed on Iwo Jima on Feb. 19, 1945. Two days later his unit came under fire and he performed the heroic actions that earned him the Congressional Medal of Honor. Six days later he was killed in action by fragmentation from an enemy projectile. He was posthumously awarded the Medal of Honor by Pres. Harry S. Truman who presented the Medal on April 16, 1947 to his father, Benjamin Franklin Gray. The Citation reads:

"For conspicuous gallantry and intrepidity at the risk of his life above and beyond the call of duty as a Platoon Sergeant attached to Company A, First Battalion, Twenty-fifth Marines, Forth Marine Division, in action against the enemy Japanese forces on Iwo Jima, Volcano Islands, 21 February 1945. Shrewdly gaging the tactical situation when his platoon was held up by a sudden barrage of hostile grenades while advancing toward the high ground northeast of Airfield No. 1, Sergeant Gray promptly organized the withdrawal of his men from enemy grenade range, quickly moved forward alone to reconnoiter and discovered a heavily mined area extending along the front of a strong network of emplacements joined by covered trenches. Although assailed by furious gunfire, he cleared a path leading through the mine field to one of the fortifications, then returned to the platoon position and, informing his leader of the serious situation, volunteered to initiate an attack under cover of three fellow Marines. Alone and unarmed but carrying a hugh sachel charge, he crept up on the Japanese emplacement, boldly hurled the short-fused explosive and sealed the entrance. Instantly taken under machine-gun fire from a second entrance to the same position, he unhesitatingly braved the increasingly vicious fusillades to crawl back for another charge, returned to his objective and blasted the second opening, thereby demolishing the position. Repeatedly covering the ground between the savagely defended enemy fortifications and his platoon area, he systematically approached, attacked and withdrew under blanketing fire to destroy a total of six Japanese positions, more than 25 troops and a quantity of vital ordnance gear and ammunition. Stouthearted and indomitable, Sergeant Gray had singlehandedly overcome a strong enemy garrison and completely disarmed a large minefield before finally rejoining his unit. By his great personal valor, daring tactics and tenacious perseverance in face of extreme peril, he had contributed materially to the fulfillment of his company mission.

His gallant conduct throughout enhanced and sustained the highest traditions of the United States Naval Service."

/s/ Harry S. Truman

On Nov. 19, 1966, the keel was laid of United States Ship Gray, DE-1054, a destroyer escort, named in his honor. The ship was launched and christened on Nov. 3, 1967 at the Todd Shipyards, Seattle, Wash., and commissioned on April 4, 1970.

His tombstone is without dates but says died aged 8 years. This would make him b. about 1865. This places his birth between George and Katie, which is where those who knew him said he belonged.)
- 435 JANNIE BLAKE b. c. 1868, d. 1873 of yellow fever, bur. Pratt-Wallace Cem. No dates are on her tombstone but it says d. aged 5 years. This would make her b. in 1868, the year before Katie. Katie would have been only 3 or 4 in 1873. See discussion under Samna.
- 436 KATIE BEAVERS BLAKE b. Dec. 2, 1869 Bibb Co., d. June 3, 1954 Bibb Co., bur. Schultz Creek Cem. She also took the yellow fever but survived. (In 1949, I met Mrs. Elizabeth (McKinley) Pratt in a hospital in Albuquerque and she referred me to Miss Katie Blake and Mrs. Theodocia (Pratt) Green as persons who would know about Blakes and Pratts in Bibb Co. Mrs. Green wrote that she had met my great grandfather on one of his trips back to Bibb Co. Miss Katie said that she was surprised to hear from someone so far away and was sorry that she did not have much information on the earlier Blakes.)

(As mentioned previously, I have only an outline of the family of this Asa Blake. His widow was so wary of giving out information on her family, that I did not dare press for details. I was just glad to get what I did. Even this would not have been possible without the assurance of Lyda (Morse) Keyes that I was o.k.) The 1910 Census furnished some birth dates.

44 MARIA(H) BLAKE b. Feb. 23. 1826 Bibb Co. Ala., d. July 8. 1910 Banner, Calhoun Co., Miss., m. Dec. 11. 1845 Bibb Co., JOSHUA WEST JOHNSON b. Feb. 1. 1821 Bibb Co., d. June 29. 1900 Banner, son of DUNCAN JOHNSTON and his 1st wife, LETTY MORRIS (dau. of JOHN MORRIS and his wife REBECCA LEWIS, dau. of DAVID LEWIS JR. and his 2nd wife ELIZABETH LOCKHART of Chester Co., S.C.) Duncan m.(2) Feb. 11. 1845 SARAH (DICKERSON) PRATT, the widow of HOPKINS PRATT who had d. in 1841 and is bur. in the Pratt-Wallace Cem. He is called Old Uncle Duncan Johnson by Mollie Glass Dew while reminiscing about old times in letters she wrote back to Bibb Co. Mariah told the census taker in 1900 and in 1910 that she had had 14 children with 12 still living. 13 is all that any of her children and grandchildren have talked about over the years. (see census.)

Joshua West was a farmer in both Ala. and Miss. He was initiated and Passed in 1871 in Dallas Lodge #319, Dallas, Lafayette Co., Miss., (Tocopola P.O.), Raised to Master Mason in the same lodge in 1872 and demitted the same year to the Banner Lodge #329 Banner, Calhoun Co., Miss. (This masonic record shows that when the Johnsons came from Ala., they spent about 5 years in Lafayette Co., before finally settling in Calhoun Co.) He served as Junior Warden in 1873 and a member from 1874 until demitting in 1877. He was reported Non - Affiliated, Paid, in 1886. He reaffiliated with the Banner Lodge in 1887 and was a member until 1894 when he was suspended for non-payment of dues. He was reinstated in 1898 and was a mem. until he died June 30, 1900.

His wife's t'stone says he was a Capt. (in the Confederate Army). Aunt Angie Brantley said that she remembered him drilling men up and down the streets of Centreville. She was 13 years old in 1861. The Confederate records of many states are incomplete and I have not yet found any record of him being in the Confederate Army. Possibly he in a militia company that recruited soldiers. He was 45 and had 9 children at that time. The Ala. Confederate Archives show only a J. W. Johnson who was 21 in 1862 and was not from Bibb Co. The 637 known descendants in 1966 were compiled in THE GENEALOGY OF THE JOSHUA WEST JOHNSON BRANCH OF THE LEWIS FAMILY IN AMERICA by Maria (Johnson) Latimer and that whole book will not be included here. 500 copies of that book were distributed to Johnson descendants. I have placed copies in libraries where I have lived. I also gave a copy to the Pratt Clan as a record of these Pratt descendants.

He was a combine operator on large commercial farms in the Midwest. My mother and Uncle Howard used to talk about the coincidence of both of them being born on the same day. The 1900 Census of the Johnson family says he was born Aug.

1899 not 1898 and that he was 9/12 (9 months) old. I do not think his parents would tell the census taker he was 9 months old when he was 21 months. I think he just forgot which year he was born in.

Although Duncan was still living in 1870. I have not found a census record for him in Lafayette or Calhoun Cos., Miss. Also I don't know what happened to his second wife, Sarah. I have not found any record of her after the 1860 Census of Bibb Co. I think she might have died in Bibb Co. before the Johnsons went to Miss. She is not buried with Duncan in the little cemetery in the forest at Banner. Or at least has no tombstone. I have not found a tradition that Duncan had a wife buried by him. Lowery Johnson lives on a farm at Banner and Duncan's grave is just over the hill from his farm.

 (The 1900 and 1910 censuses provided a surprise. The family has always said she had 13 children but in both of these censuses she said she had had 14, with 12 still living. Theodocia d. in Tex. in 1895 but the other? Did she have a miscarriage that she called a child but the rest of the family did not? If it were on only one census, it could be just a mistake. But when the same information is given on two censuses, ten years apart, I doubt it. She did not know where her parents were b. Their census in 1850, 1860 and 1870 said he was b. in Ga. and she in N.C.)

- 45 ASA (#2) BLAKE b. July 1828 Bibb Co., d. Nov. 21, 1901 Bell Co., m. Oct. 20, 1853 Bibb Co., MELISSA JANE PEARCE b. Oct. 1838 Ala. On July 20, 1850, Archer Blake sold Asa Blake the following tract of land for \$300 SE1/4, of NE1/4, Sec. 29, T24N, R10E, Book G, pg. 740. Also 20 acres off the W end of SW1/4, of NW1/4, Sec. 29, T24N, R10E. Asa must have sold this back to Archer before going to Tex., because in 1865 Archer leases this to the Franklin Oil Co. for royalties. In 1858 he witnesses the will of his aunt Elizabeth (Blake) Johnson, widow of Hardy Sr. In the 1870 and 1880 Census of Bell Co., Tex., he is listed as a blacksmith and in 1900 as a landlord. He must have done quite well to be listed in that way. An entry in his father's Bible made after Feb. 1923 says he d. Nov. 21, 1901. In 1910 his widow is listed with a grandson. It also says she had 5 children with 2 still living.

6 ASA (#1) BLAKE

He was born between 1800 and 1810, died before Feb. 10, 1847 in Lowndes Co., Miss., m. July 8, 1830 Bibb Co., Ala., HARRIETT ELIZABETH McMIN POTTS b. c. 1810 N.C.

Not much is known about this Asa. He left Bibb Co. in or after 1838 and before census time in 1840 where he is found in Lowndes Co., Miss. He is listed in his father's estate records in 1837. His daughter Catherine was b. in Ala. in 1839, most likely in Bibb Co. In 1847 an administrator was appointed in Lowndes Co. for his estate. In Bibb Co., Archibald Blake was appointed but withdrew when he found that an administrator had been qualified in Lowndes Co.

Hampton Pratt, Archer Blake, Alfred D. Potts and Benjamin F. Glass served as guardians and administrators of the estates of his widow who was insane and his three children until their majority. The children are back in Miss. by 1860 and are in the census. The 1840 Census lists 4 males and 5 females who could be his children but his estate records list only three. Five slaves are listed in 1840.

Milton and Catherine Blake are children of Asa and Harriet Blake and were born in Ala. See 1850 Census. This Youngblood family could be their cousins as two of their father's brothers married sisters named Youngblood. There is no known Blake connection with a Royle family.

This household looks crowded and a little strange. Only the Blakes and William Godbee are shown as owning any land, while some of the others own substantial personal property and no land. Cooperative farms and Socialist (Utopian) colonies were somewhat popular in the U.S. in the 1800s and I wonder if this was one of them. The Amana Colony still exists in Iowa.

7 SARAH (SALLY) BLAKE

She was born about 1805 in Ga., married Aug. 5. 1823 in Bibb Co., ROBERT HENDERSON born about 1799 Tenn. They were both listed in John's estate papers. Robert and his family are listed in the 1840 and 1850 Census of Bibb Co. Gandrud, V. 178, pg.78, of Marr. Records of Bibb Co., 1839-45, pg.74, gives John Moseley m. to Elender Henderson, lic. issued June 18, 1844, m. June 19, 1844 by Rev. L. J. Schenler, local elder of M. E. Church, concent of Robert Henderson (X) for his daughter. It is probable that we will never know the names of some of the children born between 1824 and 1832 when they begin to be listed in the census.

- 71 ELEANOR (ELENDER) HENDERSON b. c. 1826 Bibb Co., m. June 19, 1844 Bibb Co., JOHN MOSELEY b. 1824 Ala. He was a farmer and was listed in the 1850 and 1860 Census of Bibb Co. He is said to have died at the battle of Chicamauga. It is not known what happened to Eleanor but she also may have died during or shortly after the Civil War as two of her sons, Joab and William Alexander, left Bibb Co. with the Johnsons in 1867 for Lafayette and Calhoun Cos., Miss. This tradition is in both the Johnson and Mosley families but both had long forgotten how they were related. I found the Blake-Henderson-Moseley connection while looking for grandchildren of John Blake Sr. Their parents are stated to have not come to Miss. (Trad.)
- 711 JOAB MOSELY b. 1845 Ala., m. LEAH C. BOYLE (?) b. 1846 N.C. He went to Miss. with the Johnsons in 1867. They were listed in the 1880 Census of Calhoun Co., Miss. Later they moved to the Dallas-Waco area of Texas.

8 SUSANNAH BLAKE

Her birth date is uncertain but probably between 1800 and 1810. She is listed in both the 1830 and 1840 Censuses as 20 to 29. Then in 1850 she is said to be 38 which would make her b. in 1812. I am thinking that someone gave the information on the family just did not know her age. She m.(1) bond and licence dated Dec. 6. 1824. returned Dec. 7. Bibb Co., to JOSHUA CASEY (consent of parent). She m.(2) July 21, 1829 Bibb Co., SQUIRE HARPOLE. No Casey children have been found yet. If there were any. all would have been over 21 by 1850 and gone from their mother's home.

Squire Harpole is listed as one of the patients in 1829 of Dr. David R. Byrd, in App. IV, of BIBB COUNTY ALABAMA. THE FIRST HUNDRED YEARS, 1818-1918. He is also listed in BAPTISTS OF BIBB COUNTY ALABAMA 1817-1974. by Howard F. McCord on p. 144, as one of the delegates of the Schultz Creek Baptist Church to the Tuscaloosa Baptist Association during the time period 1841 - 1902. Here his name is spelled Harpool.

(This William is not the son of Susannah but is included only to make it a matter of record to avoid confusion. He was born in Tenn. 12 years before his father married Susannah and is 20 years older than William C. C., the son of Susannah. This makes it obvious that 'she was Squire' second wife and explains the much older children in the 1830 and 1840 Censuses.)

9 THOMAS C. BLAKE

He was born about 1810 in Ga. He m. Feb. 28, 1833 Bibb Co., ELIZABETH ANN YOUNGBLOOD, performed by J. E. Summers, M. G., consent given by her father, HENRY YOUNGBLOOD, Marr. Book 1827-1834, pg. 230. On pg. 260-1 is a contradictory marriage record that is difficult to explain. On Dec. 17, 1833, Archibald Hamilton m. Eliza Ann Youngblood, performed by John Steel, J.P., consent by her grandfather, Andrew Youngblood, by his "X", who "states that she is an orphan girl about 16 years of age and has never chosen a guardian, and has been raised by him from a child." This was proved by Thomas Blake. As Thomas would not be approving the marriage of his wife, this Eliza Ann must be the daughter of another of Andrew's sons who is deceased. He was one of the persons bonded to guarantee the carrying out of his father's wishes in the 1837 estate settlement. He is in the 1840 Census of Bibb Co., but by 1849 has moved over to Lowndes Co., Miss., where his brother Asa had lived. He is not there in 1860 and I have not located him for that time.

On p. 115 of BAPTISTS OF BIBB COUNTY ALABAMA, 1817-1974, by Howard F. McCord, Thomas is listed as one of the delegates of Enon Baptist Church to the Mulberry Baptist Association during the time period 1828-1855. On p. 144, he is listed as a delegate for the Schultz Creek Baptist Church to the Cahawba Baptist Association during the period 1830-1836.

There is a large gap in the birth of children of Thomas C. Blake between 1840 and 1849. He may have had some children who died.

X RICHARDSON BLAKE

His name has been found in Bibb Co. only in his father's estate records. A probability for him is in the Coosa Co. Marr. Records. Book A. 1832-1860. pg. 91. Oct. 16, 1839. Richardson Blake m. SARAH ANN PEACOCK. witness James G. Eden (found by Betty (Bass) Cleere). He is not in any census of 1840 through 1860 of any state from Ala. to Tex., including Mo. and Cal. The name Richardson Blake seems to be very unusual. Possibly he died shortly after marrying.

In BAPTISTS OF BIBB COUNTY ALABAMA 1817-1974. by Howard F. McCord, p. 115, R. Blake is listed as a delegate from the Enon Baptist Church to the Mulberry Baptist Association during the time period 1828-1855. There are two possibilities for this R. Blake. John's son Richardson and Archer's son Richard. The exact date would tell which is correct. Richardson was in Coosa Co. in 1839 where he was married. At this time Richard is only 17 and probably would not be elected a delegate until he were older.

In the 1850 Census of Coosa Co., is a Sarah Ann Blake age 30, living with the family of John P. McElrath. On pg. 292 of the 1840 Coosa Co., Census is the family of John Peacock, possibly a relative. On Nov. 4, 1850 in Coosa Co., a Sarah Ann Blake m. John Conner. There was a suggestion that she was the daughter of William Blake of Coosa Co., but she is not. His daughter is only 8 years old and is listed with him in the census. I believe she may be the widow of Richardson Blake.

Another problem for speculation is with the Sarah Elizabeth Blake who m. Dec. 8, 1859 in Coosa Co., James McGinty. Where did she come from? Another Blake family has arrived that she could be a daughter of. But is she? This is a John Blake listed in the 1860 Census of Coosa aged 51 b. Ga. with a wife Marinda aged 42. Their oldest child b. in Ala. is aged 13. So they should be in the 1850 Ala. census, but they are not. 5 men named John are in Ala. in the 1850 Census index but none are this man by age nor his wife and and her age. In 1860 he had a child aged 13. b. in Ala. in 1847 but I can't find them. Maybe they weren't in Ala. after all or possibly they were just missed. Another and far fetched possibility I have thought of is that maybe since Richardson married Sarah Ann Peacock in 1839 and maybe they had a child who would be of marriageable age in 1859, she might be the one who m. James McGinty. For this to be a possibility, it must be proven that she is not a daughter of this John. No 11 year old girl named Sarah Elizabeth Blake is in the census of 1850 but she could have been out of the county with relatives, or the census taker just missed her.

I believe it is quite possible that the Sarah Ann Blake who married John Conner in 1850 was Sarah Ann Peacock, probably the "widow" of Richardson Blake. M. E. and B. F. are children by his first wife. The rest are theirs. None of these people are actually Blake descendants. There is a census error in that B. I. is a female, Barbara I. who m. James Madison Blake, the first son of Isaac Calloway Blake, See the 1880 Census of Johnson Co., Tex., and the 1900 Census of Hill Co. Tex., under 5 WILLIAM BLAKE. In the 1880 Census, John Conner is livin with them and is listed as father-in-law of the head of the household. J. N. Blake. From the census records, it could appear that Sarah Ann (Peacock) Blake Conner's daughter married Sarah Ann's first husband's grand nephew. See 531.

Of course it is only speculation that the Sarah Ann Blake who m. John Conner was Sarah Ann Peacock and widow of Richardson Blake. It may always remain only speculation as it probably is not provable but I have found nothing to indicate that it could not be true. I welcome any data that could disprove it.

This family has no connection with John of Bibb Co. and is included only because they are in Coosa Co. and are possibly parents of the Sarah Elizabeth who m. James McGinty. He was in Ala. in 1850 but where? This census would tell if he had a dau., Sarah Elizabeth, who could have m. McGinty.

A MADISON BLAKE

He was born between 1810 and 1820 and married Nov. 14. 1839 in Bibb Co., Ala., MARTHA ANN YOUNGBLOOD, Bibb Co. Marr. Book D, pg. 145. Not much is known about him. He was the administrator of the estate of his father and directed by his father to take care of his mother "for the rest of her life" and for this he was to receive all the assets of the estate of his father. The estate was probated in 1837. No female of advanced age was listed in his census record in 1840 and was probably dead by that time. On July 4, 1840, Madison was summoned to serve as a juror in Bibb County Court, Loose Papers, B File.

UNIDENTIFIED BLAKES IN BIBB CO. (before 1850)

There are only two unidentified girls in Bibb Co. that I know of. All males that I have record of before 1900 are able to be placed in the families of John Blake Sr.'s children.

INDEX

All persons in this index are assigned a serial number that shows their relation to John Blake Sr. Each of his children is assigned a number which begins the descendant's serial number. The Roman Numeral for 10 is X and is so used in this genealogy. "A" is the first letter but following "X" it is 11: "B" is 12, etc. Each person and generation must be a single digit for this system to work. "1X3" tells that this person is the third child of the tenth child of the first child. "24" IS NOT twenty four and cannot be used that way. It is the fourth child of the second child. I know that computers will not put "X" before "A" in a file listing but the way I handle that is not necessary here. All that is necessary here is to make it work in the text, and it does.

Each child's section is divided into descendants and related persons. This causes a person to look in more indices but it is the way I wished to orient them.

This is NOT an all name index. Persons, such as clerks, judges, lawyers, or those who bought items at an estate sale, are not listed. As an index of descendants and related persons is so vital, one that includes all names frequently disappoints and does not aid in establishing a relationship. After many years of researching genealogies and histories, I choose not to include unrelated persons.

Distribution of indexed persons:
